

2006 Radical Outlook...

Hello Radical Family,

We are very excited to be sending you this 2006 Radical Outlook email. What an incredible year for us, not at all what we were expecting. We are happy to report that thanks to each of you Radical Riders was blessed with our highest financial contribution year ever. Thank you for sowing your seed into this ministry...We are praying that God will multiply that seed and water it to bring forth a bountiful harvest for this ministry and in your life too. Many Thanks!!

God continues to teach us more about Him, and more about this work He has called us to do. We spent the summer in Florida learning how to live by faith one day at a time. God was faithful to meet all our needs from day one of our stay, when we only had \$67 to buy groceries. We learned to walk by faith and not by sight. Rob and I knew that we were doing our part by going to FL, now we needed to trust God to do His part. So God began a season of preparation for us, tucking us away until we were ready for what He had planned next.

I am reminded of some old testament brothers of the faith that God tucked away until they were ready to be used. Moses was raised Egyptian until He was about 40 years old. Then God tucked Moses away for the next 40 years in preparation for his next season of ministry, leading the Israelites out of Egypt and towards the Promise Land. Next there was David. David was anointed by Saul to become king of Israel when we was only a teen, but had to wait until he was 30 before he could take the throne. Can you imagine David being the next anointed King of Israel, but having to remain a humble shepherd boy in preparation for his season of leadership.

Now as Rob and I look towards 2006 we are filled with hope that our season of preparation is coming to a close. God has directed us to put our home in Colorado up for sale. We are filled with excitement to see what is next for us and Radical Riders. We continue to walk by faith one day at a time. We do not know when or where or how God is going to move next, but part of trusting Him is being at peace while not knowing the answers to those questions. Please partner with us in prayer while God continues to reveal to us His step by step plan for this ever-growing action sports ministry.

We would like to thank each of you again for continuing to support us in prayer and through your monthly donations. Without your support we could not take the gospel to the skate parks, ski mountains, lakes, terrain parks, and dirt tracks. God is awesome and 2006 is gearing up to be a Radical year for sure!!
