

Boarding House Open...

Hello Radical Family,

What an exciting month & a half since we have arrived in Orlando. God continues to blow us away with how he works out the details our lives and this ministry. Since moving in, we learned that God had this location picked out in advance. We were thrilled to find out that there is a large concrete skate park and Motocross dirt track within a five minute drive from our place here in Orlando. Rob and I just smiled at how God works out the details. We are starting to get the word out to local Youth Pastors that Radical Riders is in town and we are here to assist them in any way we can with their church.

We are also happy to report that the Boarding House is officially open. We had our first Junior Pro Wakeboard Rider move in August 20th. The idea behind the Boarding House is to provide wakeboard instruction for these young riders on the water, while discipling them in their faith off the water. This young man is living with us fulltime, while going to the University of Central Florida parttime, and riding as much as he can. He is making the transition from Junior Men's into the Pro Men's division this month at Nationals and the Worlds competition in September. We know that our time with these young riders is limited, but we are on our knees everyday asking God to use this ministry to make a life long impression on them. Rob & I are reminded of what Paul wrote in his letter to the Ephesians...*"This is my life work: helping people understand and respond to this Message. It came as a sheer gift to me, a real surprise, God handling all the details. When it came to presenting the Message to people who had no background in God's way, I was the least qualified of any of the available Christians. God saw to it that I was equipped, but you can be sure that it had nothing to do with my natural abilities."* Ephesians 3:7-8

We realize that this work has nothing to do with our abilities, but at how God provides for our needs! We have had more opportunities to ministry since our move to Florida and we continue to need your support to help us "do this work". I am sad to report that since our move we have lost some faithful monthly financial supporters of Radical Riders and we currently need to replace that lost with new monthly supporters. God will continue to provide for all of our needs, and he does that by using people like you. Please consider becoming a new monthly financial partner of this ministry. God promises us a flood of blessings if we sow into His kingdom. We would love to hear from you, the new address for the ministry is:
