

# Heading to Florida...

Hello Radical Family,

As many of you know this winter God directed us to put our home in Colorado up for sale. We were filled with excitement to see what was next for us and Radical Riders. As Ephesians 3:20 states, "Now glory be to God! By his mighty power at work within us, he is able to accomplish infinitely more than we would ever dare to ask or hope". Well God keep His promise and has done infinitely more than we could have asked regarding the sale of our home. We are happy to report that on March 23, 2006, the 4 year anniversary of Radical Riders, we received a offer to buy our home, and on June 30th we closed on the property...God is great! God has also shown us where He wants us to move to...Orlando, Florida!

Orlando is considered to be the wakeboard capitol of the world and God has opened many doors for us to minister in Orlando. For example, God has put on our hearts the deisre to start a Boarding House for up and coming Junior Pro Wakeboard Riders. God has also provided us a place to live which is ideal for the Boarding House: 4 bedroom, 2.5 baths, located on a private lake. The idea behind the Boarding House is to provide wakeboard instruction for these young riders on the water, while discipling them in their faith off the water. We are also happy to report that once again Southwest CorrectCraft has provided Radical Riders with another beautiful wakeboard boat to use this year. We can not stop giving God all the praise, because He has thought of every detail: the sale, the move, the new house, and the boat.

Another passion burning in our hearts is continuing to plant "The Radical Church", with weekly meetings all over the country. Action sport churches like: WakeChurch, SkateChurch, MXChurch, SurfChurch, SnowChurch and BMXChurch. The mission of these action churches is to reach people in their sport. Most of the action sports community will not set foot in a traditional church, but they will come to the Lake, Skate Park, Dirt Track, and Ski Mountian.

Please continue to lift up Radical Riders in prayer as God takes us to Orlando. Without each of you on your knees, we would not be "taking the gospel to the extreme". Our new address for the ministry is:
