

What an amazing God we serve! We have just completed stop #6 of our Radical 180 Outreach Program. The Radical 180 Outreach Program is a day where we bring at-risk and disadvantaged teens to the Pro Wakeboard Competition. This day is FREE to these teens. We work closely with every young person during this incredible day. Young people that struggle with the social pressures of drugs, sex, alcohol, violence at home or school, neglect or life on the street. Our Mission is to give them a chance to turn a Radical 180 degrees from their given situation, and to help them forget if only for a day some of the disappointments they have experienced in their young lives, and how to overcome any obstacle through the power of Jesus Christ.

We provide the following FREE to the kids: admission into the Pro Wakeboard Competition, VIP access to "Athlete's Tent" for autographs, goodie bags filled with...event t-shirts, Radical Rider tees, stickers, water bottles, AM/FM pocket radios, plus misc. swag, and New Testament Bibles.

After only 6 Outreach events we have touched the lives of over 117 disadvantaged teens so far this summer. Each of those teens has been shown Christ's love and told about the FREE gift of eternal life and the goodie bag that God has for His children. God's goodie bag has everlasting gifts that He wants to give us. The response has been amazing to see. These teens have had a "radical" experience during the Radical 180 Outreach Program.

At the one stop we talked with a girl that enjoyed taking a nap every chance she got. We asked her why would she want to sleep so much? She said it is so she can dream, because in her dreams she can be anywhere in the world, and do anything she wants to do. She said that when she's awake there is only pain, fear, and disappointment.

At another stop we had a young man get a raffle ticket from one of the tour stop vendors. Well the drawing for that raffle has on Sunday, but was not going to be there. So he asked us if we could redeem his prize for him if he won. So we had him write down his name on the back of his raffle ticket. He also put his Mom's phone number on it and told us that is the best way to reach him. Michele nearly started to cry. You see that young man was pulled out of his mother's home because she neglected him. Yet this boy had the hope that he would be back home with his mom.

Each of these teens has a incredible story and we know that God brings them to the Radical 180 Outreach Program to start something new in their lives. To give them His goodie bag filled with hope, love and acceptance.

One thing that God has put on our hearts since day one of RR...is to always give people an opportunity to make a life changing decision for Him at EVERY type of event, clinic, demo, festival, competition, and outreach that we do. You will never leave a RR event without having a chance to accept Christ as Lord of your life. That is why we do this awesome ministry...it's about winning ONE MORE FOR JESUS. To date Radical Riders has seen over 200 teens make life changing decisions for Him! That is RADICAL.

Our Radical 180 Outreach Program could not reach out to these teens without the help of some very special people. Those of you who have sown into this ministry we want to say "Thank You". Lives are being radically transformed because of your gift. We know that you will reap a windfall of blessings and favor because you gave. God continues to use your gift to win ONE MORE FOR JESUS...and some day in Heaven you will see just how much!! Thank you...

Take Care Everyone, Rob & Michele Krogman
